

LASA Voluntary Support

by SANDY KLINZING

It's rare that we pat ourselves on the back excessively, but in this case LASA members and friends deserve a great vote of thanks for their efforts to support LASA Funds! Thanks to you—and to good returns on the LASA Endowment—a portion of Endowment proceeds will benefit LASA2006 travel grantees from Latin America and the Caribbean. Thanks to your generosity as well, \$33,000 was available for grants through the LASA Travel Fund. The Student Fund has grown as well, to \$6167, and will be used to provide partial support to student members presenting their papers in Puerto Rico.

LASA also has two new Life Members! Our thanks to **Norma Chinchilla**, California State University, Long Beach, and **Philip Williams**, University of Florida, for their commitments to Life Memberships. During this season of thanks we are especially grateful to all LASA members and friends who strive to help the Association realize its mission. Thank you!
