

AMERICAS QUARTERLY

Academic Course Packets

Bring Cutting Edge Policy and Research Issues into the Classroom

Professors can now include *Americas Quarterly* articles and graphics in course packets on topics ranging from:

- Human, Women's and LGBT Rights
- Economic Development
- Politics
- Trade Policy
- Immigration
- Security
- International Relations
- Diplomacy
- Investment

Authors include leading policymakers, scholars, business leaders and analysts, top journalists, and activists. In addition, *Americas Quarterly* also provides supplemental multi-media content on its website (www.americasquarterly.org)

To see a full list of the themes and content available please visit *Americas Quarterly* at <http://www.americasquarterly.org/node/3869> or call 212-240-8950
