

LASA'S 50TH ANNIVERSARY

Kalman Silvert and LASA's Fiftieth Anniversary

by MARTIN WEINSTEIN | Professor Emeritus, William Paterson University | weinsteinm@wpunj.edu

The 50th anniversary of LASA is an appropriate time to recall Kalman Silvert's extraordinary life and contributions to Latin American studies. Silvert served as LASA's first president; was the program advisor for the social sciences in Latin America at the Ford Foundation from 1967 until his untimely death in 1976; and was teacher, mentor, and institution builder at universities in the United States and Latin America. During the darkest days in Latin America in the late 1960s and early 1970s, accompanied by the tumult and

constitutional crisis in the United States, he turned his energy, intellect, and his institutional position to saving lives and institutions in Latin America, and defending democracy and strengthening democratic theory and practice throughout the Americas.

Abe Lowenthal and I have been coordinating a project on Kal's many roles and contributions. We invite you to read the following essays by Christopher Mitchell (New York University) and John

T. Fishel (University of Oklahoma) concerning Kalman Silvert and the influence he had on them both personally and professionally. If the spirit moves you, send some thoughts or reminiscences of your own to the e-mail above. All of the material will be published on the LASA website in the 50th year. ■
