Mexican Studies/Estudios Mexicanos is a bilingual, international scholarly journal dedicated to providing an essential forum for the dissemination of cutting-edge research relating to Mexico, broadly defined. As the only U.S.-published academic journal of its kind, the breadth and multiplicity of *MS/EM* enables scholars from many disciplines to collaboratively address critical concerns, written in either English or Spanish.

Winner of the 2015 LASA Mexico Humanities Essay Award:

Sarah Cline, "Guadalupe and the Castas: The Power of a Singular Colonial Mexican Painting" (*MS/EM* 31.2)
