

LASA Membership of Jorge Dominguez Revoked

On January 20, 2020, a letter was sent in the name of LASA Executive Council (EC) to Dr. Jorge Dominguez informing him that his membership was revoked by a unanimous vote of the LASA EC. This decision was made in accordance with LASA's Code of Conduct and its Constitution and Bylaws and based on but not limited to the outcome of the Title IX investigation conducted by Harvard University. Dr. Jorge Dominguez is no longer permitted to represent himself as a member of LASA and is barred from attending LASA Congresses or events in the future. A check was sent to Dr. Dominguez to reimburse him for the remainder of his paid membership dues from a life membership.
