

THE LATIN AMERICANIST

is published for the Southeastern Council of Latin American Studies by the University of North Carolina Press

As the oldest continuously published Latin American studies journal, The Latin Americanist (ISSN 1557-2021) is dedicated to comprehensive, multidisciplinary, and trilingual coverage of the field—including Latin American history, literature, political science, and anthropology.

Individuals can join the Southeastern Council of Latin American Studies (SECOLAS) to receive access to the journal through Project MUSE. Visit www.secolas.org for membership rates, submission guidelines, and more.

Institutions can subscribe through Project MUSE. After one year, back issues available through EBSCO, ProQuest, and Cengage
